

# Everyone deserves a warm home.

ADMINISTERED IN PARTNERSHIP WITH

We all deserve to be comfortable in our home, regardless of income.

For homeowners who qualify, the **HomeWarming** team provides a comprehensive energy audit and works with you to determine the energy efficiency upgrades that make the most sense for your home. Then the team takes care of managing sub-contractors to have the upgrades completed **at no cost to you**.

The result?

A more comfortable home in both winter and summer, and more room in your household budget for other priorities.

## Am I eligible?

You can apply for the HomeWarming program if:

-  Your combined family income is under the levels shown in the chart to the right
-  You own a single-unit home located in Nova Scotia and can provide proof of ownership\*
-  You live in your home year-round, it is your primary residence, and you do not plan to sell it in the near future
-  Your home has not previously received upgrades through HomeWarming or the Low Income Homeowner Service

NUMBER OF PEOPLE LIVING IN YOUR HOME	MAXIMUM ANNUAL HOUSEHOLD INCOME (Line 236 from your Tax Notice of Assessment)
1 person	\$21,487
2 to 4 people	\$39,926
5 or more people	\$56,861

\*Please note: Row houses do qualify, but condos, multi-unit buildings and rentals do not.
